

Jewellery & Earrings

We allow one pair of stud earrings to be worn in the earlobes, as long as they are taken out for PE, swimming and sports clubs, remaining the responsibility of the child if taken out in school.

Earrings should not be worn on the day of PE and swimming. If a child has their ears pierced during term time, they need to bring plasters to cover their earrings in PE lessons during the six to eight week healing period. Children will be asked to take their earrings out for all PE and sports activities, to ensure their own and other pupils' safety. Plasters can be used to cover earrings if a child is unable to take their earrings out independently.

We would advise that if children are having their ears pierced, this takes place at the beginning of the summer holidays.

Children may wear a watch or Fitbit if you would like them to. School is not responsible for loss or any damage that may occur to this item.

-
- I have read and understood the information regarding earrings and jewellery.
 - My child wears earrings for school and will take them out for PE and other sporting activities. **Yes/No**
 - My child wears earrings for school but is unable to take them out independently. I understand that they will be required to tape over them for PE sessions. **Yes/No**
